

Eleganc™

AN ISO 9001 COMPANY

feel pleasure at work

About Us

We wish to introduce ourselves as the leading manufacturer for office furniture & revolving chairs Our company is a well-established organization engaged in manufacturing of premium quality of office furniture for various applications like office use, cafeteria , waiting area ,industrial use , training use etc..

Our products are under brand name of eleganc furniture.

Our products are in tune with the ever-changing needs of industry and meet the highest international standards of quality. We believe in superior quality at competitive prices and strict adherence to delivery schedules. Our production is well equipped with state of the art technology, regular quality checks and a team of skilled personnel dedicated to customer satisfaction. It ensures that our products match the best in the international market in terms of quality and finish.

We maintain a ready inventory of raw material for the smooth and uninterrupted flow of work. This enables s to deliver our products as per the schedule and offer economical rates to our customer. We can develop staples as per buyer's specifications. We have sophisticated machines that enable us to manufacture totally standard/quality furniture. Our team keeps a constant vigil on the entire manufacturing process to ensure the only the best product leaves the production unit.

We hope to build a long lasting relationship and look forward to hear from you at the earliest and please find enclosed detailed profile of our company for your kind reference and records.
